

# IUFRO World Day

## Digital Forest Science Forum

Members of the global IUFRO network will show and share forest-related research work, projects, news and more!

**28-29  
September 2021**

Three time zones  
around the world  
24 hours

**Come and get to know  
the world of  
IUFRO!**

 [www.iufro.org](http://www.iufro.org)

### Participate

IUFRO Units and Member Organizations are invited to shape the program! Anyone interested in forest-related research can join the conversation and find a variety of information!

**Interactive map:** Discover sessions and forest-related research content from around the world

**Parallel sessions:** IUFRO Divisions, Task Forces and Member Organizations will share their work

**Networking sessions:** Meet the IUFRO leadership, find out how IUFRO works and how to get involved, have your say

**Science Policy Forums:** Cutting edge research and emerging issues of relevancy for policy and decision makers will be discussed
